

DEPARTMENT OF EDUCATION OF PORTO RICO
Office of the Commissioner
San Juan

Circular Letter No. 404

February 21, 1907.

Superintendents.

Gentlemen:-

Twice recently my attention has been called by superintendents to the regulation of the Department in regard to the payment of teachers' salaries in case of death. I beg to call your attention to the fact that the rule published in the edition of the School Laws of 1904 has been abrogated by the Auditor of Porto Rico. We are authorized at the present time to pay to the heirs of teachers who die only the amount which may have been due them up to the time of death, and not as stated in the regulation, until the end of the month in which death occurred.

This change will be noted when the new edition of the school laws and regulations is printed this year. In the meantime, this notice is sent for your information and guidance.

Respectfully,

(Signed) Roland P. Falkner
Commissioner of Education
